HAPPY CHINESE LUNAR NEW YEAR

YEAR OF THE RAT

January 12, 2020: Supervisor Don Wagner is proud to be the past Mayor of Irvine – his family's hometown and a city that's rich in cultural diversity – to celebrate the Chinese New Year at the Irvine Barclay Theatre. He spoke with several Chinese media outlets on the importance of cultural diversity.

Supervisor Wagner was humbled and honored to welcome nearly a thousand people in the audience with Third District Director Scott Voigts, Young Kim, Yorba Linda Councilwoman Peggy Huang, and Irvine Councilman Anthony Kuo. Supervisor Wagner proudly presented a Certificate of Recognition to the theatre for their tremendous contributions to Orange County's arts and culture scene.

The American Southern California Economic Cultural Association relishes the Chinese Spring Festival with this colorful gala. Award-winning guest artists travel from China to share the Barclay stage with Orange County dancers and musicians.

A special thank goes to Third District Community Outreach Director, Saga Conroy, for the wonderful invitation and all your hard work at the event, and to Communications Director, Rachel Lurya, for documenting the festivities.

We are all thankful to live, serve, and represent the needs of such a diverse district.

May the "Year of the Rat" offer more freedom, happiness, and health to all.

Board of Supervisors Resolution for Korean American Day
 January 14, 2020, Hall of Administration

It was an honor to celebrate Korean American Day with colleagues, including Supervisor Michelle Steel, to present a resolution at the Board of Supervisors.

"Orange County Board of Supervisors will celebrate January 13, 2020, as "Korean American Day" to honor the history, contributions, and sacrifices of California's Korean Americans.

This year marked the 117th year of Korean immigration to the U.S. On January 13, 1903, the first group of Koreans arrived in Honolulu, Hawaii. In 2005, the U.S. Senate

and House passed resolutions by unanimous consent expressing support for the goals and aspirations of Korean American Day, which is also celebrated by numerous states and municipalities. Over the last 117 years, Korean Americans have made significant contributions in all aspects of American life and have excelled in all fields. They continue to play a pivotal role in defining America as the land of diversity and opportunity.

On behalf of the OC Board of Supervisors and citizens of Orange County, we extend our sincere congratulations to the Korean American community."

Supervisor Hosts Senior Services Town Hall January 22, 2020, Irvine City Hall

Because we deeply value our senior community, Supervisor Wagner's office sponsored a senior services town hall with over 170 attendees. People learned how to connect with the vast County resources available, and each program is designed to help make life easier, healthier, and as safe as can be.

From the mobile "Senior Resources" app to dedicated nutritional services, there are programs to support you and the ones you love.

Coffee With Third District Appointees
January 23, 2020, Hall of Administration

Being appointed to a committee is an opportunity to serve your community, working on everything from preserving historical landmarks to recommending transportation improvements throughout Orange County.

Supervisor Wagner hosted a morning coffee with over 25 appointees (with donuts, of course) for a 2020 goal-setting meeting and to hear what he can do to activate government and better serve the people. We thank everyone for participating; the lively discussion sparked a lot of conversations and forward movement for our District.

If you are interested in serving on a committee in the Third District, please email Donald.Wagner@OCGov.com for more information.

Community Meeting

Community Meeting Barrett Lane/Fairhaven Ext Drainage & Sidewalk Improvements

Project Summary

OC Public Works will host a community meeting to collect residents input on the upcoming drainage improvement and sidewalk gap closure project, located in the unincorporated County area of North Tustin along Barrett Lane, Fairhaven Extension and adjacent roads. The improvements include installing concrete storm drain pipes, curb opening inlets, constructing multiple catch basins, removing existing "V" drainage ditches, and modifying driveway approaches. In addition, OC Public Works would like to gauge the support for the proposed sidewalk, curb and gutter along the east side of Barrett Lane. The proposed drainage and road improvements will improve the existing drainage deficiencies, prevent flooding, erosion and increase safety along Barrett Lane and Fairhaven Extension. The sidewalk improvements will close a gap in the local sidewalk network while enhancing pedestrian safety and mobility for local residents. **See below for meeting information.**

WHAT

OC Public Works will host a community meeting to inform residents of the upcoming project. This project is part of the County's Capital Improvement Program and will improve storm water drainage and flow and pedestrian accessibility along Barrett Lane, Fairhaven Extension and adjacent roads.
