# 2021 REDISTRICTING

[www.ocgov.com/redistricting](http://www.ocgov.com/redistricting)

## 2021 Redistricting Public Workshops

Every ten years, local governments use new Census data to redraw their district lines to reflect how local populations have changed. This process, called redistricting, is important in ensuring that each board member represents about the same number of constituents. In Orange County, the Board of Supervisors is responsible for drawing supervisorial districts.

Join us at a public workshop in August to learn more about the County of Orange's 2021 redistricting process. Each workshop will include a brief presentation and an opportunity to ask questions and provide feedback on redistricting including communities of interest. Free parking is available at all workshop locations. Information on virtual participation will be available soon on [www.ocgov.com/redistricting](http://www.ocgov.com/redistricting).

**OUT & ABOUT**

ORANGE, CA – Wishing our Orange Home Grown and Farmers & Artisans Market a happy 10th Anniversary!

Orange Home Grown brings our community together by sourcing the freshest locally-grown agriculture, products, and artisan foods. Over 45 different farmers and food artisans attend the certified farmers' market to offer locally-grown fruits, vegetables, sustainably sourced eggs, meat, seafood, cheese, baked goods, and more.

The market provides wholesome fun in addition to good eats, such as Park Your Paws, where volunteer dog sitters (and lovers) hang with furry family members while patrons shop.

Supervisor Wagner was proud to present a Proclamation with Mayor Mark Murphy to Orange Home Grown board members and staff to celebrate 10 years of success in our beautiful City of Orange.

If you want to try the sweetest strawberries and healthy foods, swing by the market every Saturday from 9 AM to 1 PM – rain or shine.

ORANGE, CA – July 8th was the first in-person meeting in over a year for the Rotary Club of Orange. Supervisor Wagner was privileged to attend as the guest speaker at the Rotary's recent meeting held at Colleary's Bistro. He presented renderings of OC's preferred Veterans' cemetery site for Gypsum Canyon in Anaheim Hills, encouraging the public to contact their local legislators to [advocate for the Anaheim Hills](#) site for our hometown heroes.

YORBA LINDA, CA – Team Wagner visited APOLA Greek Gyro Grill in Yorba Linda to say "congratulations!" on two years in business. We love that APOLA focuses on fresh, healthy Mediterranean food for the whole family.

About the family behind APOLA:

"The Kosmides Family has been in the restaurant business since 1977 when Dimitri (the father) got his first job working as a fry cook and then purchasing his first Italian restaurant. Having grown up in a farming village in Greece, Dimitri knew the value of hard work and quickly saw the value in owning his own business in the United States. Having a long love for food with family recipes that had been handed down to him from his parents and grandparents Dimitri continued to grow his restaurant business and has opened over 25 locations throughout the years. He managed to do so while spending most of his time in Greece to raise his two sons: Stefano and Yianni. The boys were taught the value of hard work early on by working in their father's restaurants from a very young age. Every summer their vacation was spent in the back kitchen of a restaurant or in front of a register taking orders! While Stefano and Yianni were attending university, Dimitri sold his last restaurant and announced his retirement!

Little did he know that shortly after, his boys would pull him back into the business for the purchase of a high volume, independently-owned fast food drive-thru restaurant. Since then, Dimitri has helped the boys open 9 more successful locations. The locations that the family currently owns and operates generate revenues significantly above industry standards and most have been featured in local media and food critic shows for their outstanding performance and presence in their local community."

We support our small businesses and wish APOLA Greek Gyro Grill many years of prosperity.

TUSTIN, CA – In 2012, Team Wagner Field Representative Al Murray was the Mayor of Tustin. He asked his dentist, Dr. Chuck Tozzer, to consider doing a Tustin Dental Clinic at the Tustin Family and Youth Center because many people cannot afford dental care. The facilities service families in Southwest Tustin.

July 10th was the 8th Annual Clinic – last year it was closed due to the pandemic.

On behalf of Supervisor Wagner, Al Murray presented Certificates of Recognition to Barbara Guerrero and Dr. Charles Tozzer for their partnership and community support through Tozzer's foundation, "Dental Care for Children".

At the annual event this year, the clinic serviced 49 patients for free or on a sliding scale; services typically cost \$350 to \$400 per patient. For that, we thank Tustin Dental Clinic and Tustin Youth Center for supporting our community's health and giving people a good reason to smile.

ORANGE, CA – Supervisor Wagner was honored to present a proclamation to retiring Orange Police Chief Tom Kisela, who officially retired on July 1, 2021. Chief Kisela was the second Orange PD Chief who spent his entire 35-year career with the Orange PD. His family attended the Orange City Council meeting to watch the presentation and honor from our County.

Congrats, Tom! We wish you many happy years of retirement and thank you for your longstanding dedication to keeping our community safe.

## **SUPERVISOR WAGNER CONTINUES TO VOTE "NO" ON THE STREETCAR PROJECT**

ORANGE COUNTY, CA – Supervisor Wagner serves as a director of the Orange County Transit Authority (OCTA). Before the start of his tenure, OCTA has been building an unnecessary and greatly overpriced “streetcar” project in downtown Santa Ana.

The project has disrupted hundreds of Santa Ana merchants, commuters, and residents, adding insult to the injury of the pandemic shutdowns. The project is budgeted at over \$100 million per mile! And it continues to face unexpected delays that raise the cost even further. Numerous change orders, in the multiple millions of dollars, have been considered by the OCTA board and routinely passed over Supervisor Wagner’s objections.

Be assured, he will continue to vote against further waste on the streetcar, and against waste on all of the boards and commissions he serves on. Supervisor Wagner believes the people of Orange County are overtaxed at all levels of government for wasteful projects and Orange County governments should not contribute to that over-taxation.
