

## IN THE NEWS

These past two weeks, Chairman Wagner oversaw Orange County's preparation for Hurricane Hilary, as well as coordination with the Sheriff's Department, Orange County Fire Authority, and District Attorney's office on the response to the tragic shooting at Cook's Corner in Trabuco Canyon. We are proud of our County's emergency preparedness that ensured the safety of residents as the storm approached and their bravery in responding to the tragedy at Cook's Corner.

Due to Hilary's trajectory, it was downgraded to a tropical storm by the time it made landfall in Orange County. Our County was spared from the anticipated destruction that projections told us. There were no deaths, no injuries, and no significant infrastructure damage. That being said, our County prepared in case the worst should happen. Our Sheriff's deputies informed residents of incoming storm conditions and assisted with the voluntary evacuations. Our OC Public Works team cleared debris from culverts and roads constantly throughout the week distributing tens of thousands of sandbags to residents throughout the

weekend. After the storm passed, our County was largely untouched, but we are all grateful for our robust response to the storm.

Just a few days later, we were struck with grief from the tragic shooting in Trabuco Canyon that took the lives of three innocent people while six more were injured. Thankfully, our Orange County Sheriff's deputies arrived within two minutes to confront the shooter, while our OCFA paramedics arrived in four minutes to treat the wounded, likely saving even more lives due to their rapid response to the situation.

Chairman Wagner joined Fox News on the morning of August 20th to warn Orange County residents of the possible flooding and dangerous surf conditions facing the community. Thankfully, our County came out of this storm with no casualties or significant infrastructure damage. We're grateful for all the preventative efforts our emergency personnel and first responders took in preparation for Hurricane Hilary.

## COOK'S CORNER SHOOTING

On Thursday, August 24th, Chairman Wagner joined Sheriff Don Barnes, District Attorney Todd Spitzer, Dr. Tetsuya Takeuchi of Providence Mission Hospital, and Cheyne Maule of the Orange County Fire Authority for a press conference to update the public on the aftermath of Wednesday, August 23rd's tragic shooting at Cook's Corner, which took three lives and hospitalized six.

As Chairman of the Orange County Board of Supervisors and as the Supervisor representing Trabuco Canyon, Chairman Wagner is grateful to the men and women of the Orange County Sheriff's Department and the Orange County Fire Authority for their bravery and responsiveness that night. First responders arrived in two minutes to address the shooting, a testament to their professionalism and preparedness.

Cook's Corner is a wholesome pillar of our community. It is incredibly heartbreaking to see such a community-oriented staple of our county be struck with this tragedy.

### AUGUST IS CHILD SUPPORT AWARENESS MONTH

At the August 22nd Board of Supervisors Meeting, Chairman Wagner introduced a proclamation declaring August as Child Support Awareness Month in Orange County.

He was joined by Child Support Services Director Maria Arzola and members of the Child Support Services Team.

Chairman Wagner is grateful to our Orange County Child Support Services team for all the hard work they do for our children and families across the county.

## CANYON COMMUNITY TOWN HALL: WILDLAND FIRE PREVENTION

Chairman Wagner co-hosted a Town Hall meeting for Canyon residents on Thursday, August 17 to discuss wildland fire prevention.

He was joined by U.S. Representative Young Kim and Assemblywoman Kate Sanchez who also represent the Canyons in their respective districts.

I want to thank our speakers representing various agencies overseeing wildland fire prevention, including:

- Michelle Anderson, Director, Orange County Sheriff's Department, CA, Emergency Management Division
- Jake Rodriguez, District Ranger, U.S. Forest Service - Cleveland National Forest
- Scott Wiedensohler, Division Chief, Orange County Fire Authority

Lots of great information was presented to our residents. The threat of fire in the Canyons is something that cannot be overlooked. We need to remain vigilant and prepared in the event of such an emergency.

## NATIONAL NIGHT OUT!

National Night Out! This annual nation-wide crime prevention event fosters police-community partnerships and neighborhood camaraderie, making our district safer and stronger. Team Wagner was proud to join the Orange County Sheriff's Department, Orange County Fire Authority and our local police and fire departments at National Night Out events across the district. Let's unite against crime and continue to build a thriving, safe community!

## FIGHTING FENTANYL THREATS CONTINUES

Our collective efforts with Sheriff Don Barnes to address the fentanyl crisis have been working. We have seen a decline in fentanyl-related incidents in our county. We won't let up. On August 8th, Chairman Wagner allocated \$1.7 million to enhance our drug prevention and enforcement efforts. Chairman Wagner will continue to be proactive in our fight against fentanyl threats in our community.

## COMMUNITY SPOTLIGHT

Team Wagner celebrates new business openings, business expansions, and grand reopenings in the Third District. We also recognize community leaders who build up others and welcome people to Orange County's vibrant business community. You may see us at ribbon cuttings around town or Chamber of Commerce Ceremonies because we root for the health, wealth, name and fame of our community doing good work. We see you!

### **Interfaith Food Packaging Event**

Chairman Wagner spent an inspiring morning at the Interfaith Food Packaging event hosted by ICYL Masjid in partnership with the Church of Jesus Christ of Latter-Day Saints. It was heartening to see so many volunteers come together, united in a common goal - to help those less fortunate.

Together, we created over 400 food packages! These will go out to local food pantries and directly to families in need. Each package is more than just food; it's a message of hope and community solidarity.

Thank you to everyone who gave their time and energy today. Your efforts are a testament to what we can achieve when we serve together.
